

Conditions of Yard Use

The boat owner and/or master must keep the area around their boat clean daily (includes any sub-contractors waste/rubbish), or the yard management will do so at the owner's expense.

*** Charges will apply** if you do not remove All Rubbish/Waste including but not limited to:

- Oils
- Fuels
- Furniture
- Tyres
- Engine parts
- Engine stands
- Pallets
- Drums

** Charges for removal of rubbish/waste - \$100 per hour (min 1 hour) plus associated costs (tip fees etc)*

All blocks and frames remain the property of Geraldton Boat Lifters. Any allocated blocks and frames not returned to GBL will be charged at current replacement costs.

Ladders used on site must be of Australian Standard AS1892

Power cords must be IP56 screw fitting only - Available for purchase

*We do **NOT** supply ladders for your use however we will provide a ladder for disembarking your vessel upon lift out.*
